

## SAFEGUARDING

The PCC of Westhampnett has adopted the House of Bishop's *Promoting a Safer Church; Safeguarding Policy Statement*.

As a church we take our safeguarding responsibilities towards children and vulnerable adults seriously and endeavour to ensure that all those within our congregation can enjoy our services in a safe way. We review the latest guidance issued by the relevant church and statutory agencies and implement their recommendations on a timely basis. A copy of our **Parish Safeguarding Policy** can be viewed [here](#).
